

Bend the Knee

Ryan Dean

G C
Lift up your heads, O gates, for the King of Glory cometh!
G C
Wrapped up in Adam's skin, filled with the blood of man.
G C
Now born in Bethlehem is God's eternal Plan,
G C D
with no roof overhead and a manger for His bed.

G C G
Hallelujah! Hail the baby King!
C D Dsus7 D7
His Father's kingdom bring.
G C G
Hail the baby, Maker of all things,
C D
We all now bend the knee
D/C D/B D/A G
and confess that Jesus Christ is King.

Lift up your heads, O gates, for the King of Glory cometh!
Now bursting from the grave, His own from hell to save.
Behold the Lamb once slain with captives in His train;
Having crushed the serpent's head, now He grips the throat of death.

*Hallelujah! Hail the risen King!
a new covenant to bring.
Hail the Victor, Israel's Surety,
We all now bend the knee
and confess that Jesus Christ is King.*

Lift up your heads, O gates, for the King of Glory cometh!
Not this time as a babe, but as a sword and flame.
The veil of heaven is torn, the bridegroom now comes forth
to gather up His bride and to judge the earth with fire.

*Hallelujah! Hail the coming King!
a new creation bring.
Hail the Son of God,
Son of Man, King of Kings!
We all shall bend the knee
and confess that Jesus Christ is King!*
