

God of Moses (capo II)

Ryan Dean

C G Dm7 F C G Dm7 G
Unless your presence goes with us we walk a lonely road
C G Dm7 F C G Dm7 G
For we are orphans unless you claim us, we're lost unless you're home;
C G Dm7 F C G
Though rich in things, Lord, we are poor fools
Dm7 G
unless you shine your face upon us.

C G Dm7 Fm(maj7)
God of Moses, walk among us
F C Dm7 G
be our strength and be our life;
C G Dm7 Fm(maj7)
God of Moses, dwell now with us
F C F
cause we are a people all your own
C D
without you we are noone;
Fm Fm(maj7)
without you we are noone.

Unless your presence goes with us we walk with no defense,
For Evil crouches at our doorsteps and thirsts for violence
and Sin he follows in our footsteps,
just eager for a soul to devour.

God of Moses, walk among us
guard our souls from Evil's lies;
God of Moses, dwell now with us
cause we are a people all your own
without you we are noone;
without you we are noone.

God of Moses, walk among us
guide us in the Zion way;
God of Moses, dwell now with us
cause we are a people all your own
without you we are noone;
without you we are noone.
