V2: Jesus, Great King
In heaven exalted
(You) stooped yourself low for us
We kneel in love
In joy and wonder
Your kingdom has come to us

V3: Jesus, High Priest
You've made atonement:
Taken the place of us.
Tempted in every way,
Yet faultless,
Able to give your blood.

V4: Jesus, True Prophet
Voice of heaven
You've shown the way to us
We'll bear our cross
And follow gladly
Only in you we'll trust.
